Fines included Pres Andy for improperly addressing distinguished and extinguished Past Presidents.

Doug was not fined for not working the parade, as he had a float in it.

Past Pres Peter won the auction.

The speaker was Richard Bryant of the Bluewater School Board. He was introduced by Bob Miller, and Richard addressed the problems society and the school board in particular were experiencing with youths who are disenfranchised and amoral. Richard thanked the Kiwanians who attended the fund raising earlier this Fall at Starks Restaurant. The Board hired Richard to reach out and to engage the interest of these children through the special program he is part of. The goal was to reintroduce the children to society and hopefully further education.

Please get those budgets in to the Board for fiscal planning purposes
