MARINE RAIL MUSEUM SPEAKERS VISIT KIWANIS

K Steve Sired introduced our two guests from the Owen Sound Marine Rail Museum, Jill McFadden Bartley, Educational Development Coordinator and Danielle Mulasmajic, Marketing/Fund Development Coordinator.

Jill and Danielle explained that with the rich heritage and great artifacts that are available their efforts are to see that these resources are used for educational presentations to our area students and young people. They have examined school curriculum and are implementing exciting interactive and educational displays. Danielle asked that the club consider sponsorship, which assists their funding.

K Lorne thanked our speakers and acknowledged that our young people must learn about events and facts so they do not become lost in time.

Sutherland Construction Sponsors "Dasher"

Jennifer Prentice accepted a framed photo and trophy acknowledging the sponsorship of "Dasher" by Sutherland Construction.

President Gary introduced Bill Hambly who moved to Owen Sound from Red Deer Alberta in 1999 and is the General Manager of Staples Business Depot in Owen Sound. He has a great deal of experience with large retail chains.

The two new members were presented with aprons, information kits, certificates of membership and pins.

Fine Session Highlights

- Past President Arnold found K Jed's nametag and President Gary asked Jed to pay 50 cents for the delivery of the tag.
- K Paul Neville appealed to Past President John Prettie regarding President Gary's use of the term "secretary" instead of the preferred term "administrative assistant." President Gary was asked to pay 50 cents for each error.
- K Kelly appealed to Past President Bruce over the fact that last week President Gary had asked her to be the Mystery Greeter but had neglected to ask her for a report. President Gary was asked to pay 2.00 for the oversight.
