March 23 - Evening Meeting

Our Thursday evening meeting this month will be held at the Golden Sands Chinese Restaurant at 6:00 p.m. Golden Sands faces 10th St. South between 2nd and 3rd Ave. East (Formerly the Ritz Cafe). It is a buffet with a mix of Canadian and Chinese food. Cost is approximately \$11 per person plus drinks. We have a separate room set aside for our use. Parking is in the

municipal lot and free after 6:00 p.m. There is a rear entrance to the restaurant from the municipal lot. Please bring your spouse, a guest or any new prospective members.

Committee Updates

Kiwanis Soccer Complex
Minor Soccer has asked the Kiwanis Club to partner with them once again with a request for a sponsorship of \$5000 per year for the next 5 years to help offset the continuing costs of running the park. This request is currently before the Kiwanis board for discussion.

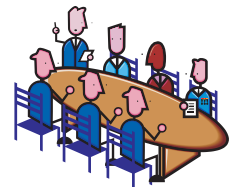

Strategic Planning Committee

The committee feels they need an outside facilitator to move forward. Further committee meetings will be held shortly and more details with the results will follow.

Lunch Meetings

There was a request for a tender placed in the paper

for our lunch meetings. Our meetings will still be held at The Rusty Gull until a new location has been chosen?

Committees

We're updating our committee roster. If you'd like to get involved in a particular committee, contact Kim James and she will put you in touch with the Committee Chair.

Music Festival Vote

In an upcoming meeting, a vote will be held by the membership with regards to money being allocated to the Grey County Kiwanis Music Festival. Details to follow.

As the Music Festival approaches, you may want to mark your calendar for a morning, an afternoon, a day or an evening of wonderful entertainment by attending one of the sessions. Attached is a breakdown of the dates and the locations of the music disciplines. We would love to see you at one of the sessions.

Whispering Pines

The park has many downed trees which need to be removed. The Committee is working together on decisions to get this cleaned up. Insurance will not cover the damage. The Committee will keep us updated as more information becomes available.
