### **Guest Speaker**

This week's speaker was Steve Ritchie from "Tanglefoot". Steve is a native of Owen Sound and graduated from OSCVI. Tanglefoot writes and plays their own music based on Canadian stories, anecdotes and myths. They have played in several countries but spend most of their time in Canada, the United Kingdom and the United States. The band members live in different parts of Ontario. One is in the States and meet only when they play together, which is about 150 days of the year. The band started as a Trio, and then gradually added two other members. There are no original members left in the band and starting in January they will, for the first time, have a female

as part of the band. Steve shared many humorous stories of audience comments and events that have happened during their travels. It was an informative and entertaining time!

Tanglefoot is in concert at the Roxy on Friday December 9th.

Past President Peter Little thanked Steve and the meeting closed with the singing of "Fare thee Well."
