Fine Session

▪ K Phil Gignac went to the Inn on the Bay with his wife Linda for Valentines Day to celebrate their 25th wedding anniversary.

▪ LG Gary was in the Barbados with Julia for a Kiwanian Convention and fun in the sun. His antics in the sun are what caused him to be fined!

▪ D Rita and her daughter were in the Dominican Republic. They stayed healthy and had a great time together.

Chinese Auction

PP Arnold Kuhl auctioned off a Kiwanis T-shirt supplied by P Clarke, which was won by K Gord. It's one of those flashy yellow ones that L G Gary Levine likes to wear. Secretary Stew Andrew has one too!

Business Meeting

▪ Discussion of how much we raise annually and how it is spent. Now that we are getting close to finalizing our soccer and OSCVI commitments, do we want to repeat that spending pattern or try something else? Any ideas members may have for spending money in the community, keeping our Priority One in mind, can speak to a Board Director or a member of the Executive. All ideas are welcome – big and small.

▪ The Strategic Plan will be looked at again, possibly at the next board

meeting to see how it ties into this topic.

- TV Auction Kits must be returned by March 5th at the latest PLEASE. PP John Prettie wants to get things photographed ASAP so the he can enjoy a trip south and PP John McLachlan needs to know what is going into the brochure. TV Auction Chair Paul Strimas announced that President Elect Kevin Dandeno will receive a "Chef Wok" dinner for being the first to bring back his TV Auction Kit in a finalized manner.
- K Gord suggested more committee updates at our luncheon meetings would be an asset.
- President Elect Kevin said that Kiwanians might consider buying a full page of advertising space in the Music Festival ad campaign and all of the business people from our club can share the cost and let the people of Owen Sound see just how much impact our club members have in the community from a business point of view.
