### Order of Good Cheer Presentation

Two of the Order of Good Cheer's Objectives are " To promote the City of Owen Sound and area" and " To actively support and undertake projects and activities of a public nature to improve the City of Owen Sound and area. All

projects nonetheless shall be located where the benefit of such projects are available freely to the public at large." Harrison Park has had a tradition of skating and hockey on natural ice with a focus on family fun. The artificial ice rink at Harrison Park fits in with the Order of Good Cheer's objectives. By having an artificial ice surface the ice rink will be available for use 5 months of the year. In other months of the year it can be used for basketball, roller hockey and other outdoor activities including a picnic shelter. The size of the ice rink will be 60feet by 120feet.
