**Announcements**

Be sure to purchase your 80<sup>th</sup> Anniversary tickets before April 1, 2005.

All of us in Division 8 would like to applaud the great recruiting work of the Owen Sound Golden K! Under the able leadership of President Alex, the Golden K recently inducted 5 women into their club. Not afraid to reinvent themselves and make a big noise, this club embodies the true spirit of Kiwanis. We all wish the Golden K continued success.

# The Builder

*Kiwanis Club of Owen Sound "Serving the Children of the World"*

## At the Meeting ...

Co-chairs for the meeting were President Elect Kevin and PP Peter Little

## Song

"Cockles and Muscles Alive, Alive Oh!"  
Sung very well by PP Peter Little

## Fine Session

PP Peter Little went to Winnipeg to collect his inheritance.

K Ted Stevens informed the club that K Bert did not use one of the three Kiwanian Law firms as an example of full-page advertising for the Music Festival. Instead a non-Kiwanian Law firm was used. K Bert razzle dazzled his way out of it and K Ted paid a fine, which was lighter than usual because he had already placed an ad with Bert.

PP Peter patted his own back and tooted his own horn because he has once again been ranked as the 5<sup>th</sup> best money manager. Way to go PP Peter!

PP Don Sweatman took Karen north of the Severn around North Bay and back past Halliburton and home. He was fined for going too far north!

PP Paul Neville resisted

telling us he is now the President of the Owen Sound Chamber of Commerce, but PP Gail Norris kept us informed.

## 50/50 Draw

\$26 won by K Eric Crose

## Applause Meter

PP Don Sweatman

## Mystery Greeter

S Stew was the mystery man and PP Al Kelly, K Jim McManaman and K Ted Stevens failed to greet Stew.

## Guests

Maeve Johnston  
Paige Phillips  
Julia Levine

## Announcements

PP John McLachlan thanked those who have completed their TV Auction kits. K Bert described the advertising scheme used in the Music Festival Program. He suggested this is a way to give our members a chance to advertise and show the community what we do.

## Business

PP Al Kelly spoke about the Mel Osborne Award, how it is obtained and asked if there is any interest from the membership to pay for one or more awards for the 80<sup>th</sup>

Anniversary. Many thought it was a good idea. PP Arnold thought we should continue to buy at least one each year. PP Don Sweatman cautioned against over-spending.

The Club was informed of the financial need of a family with Autistic twins. There was discussion on whether our club should participate in providing funds. The family lives in Wasaga Beach and perhaps the Barrie Club should ask the Division 8 clubs to help. Caution was given on spending money outside and it was suggested the club by-laws be checked. It will be given to the Boys and Girls Committee.

Three university students have asked for money to fund trips to help third world people. People over the age of 20 are not eligible and the Boys and Girls Committee will decide.

D Russ Pierson reported that requests for money have come in for the outdoor rink at Harrison Park and from the Wooden Hill Day Care Centre.

PP Al Kelly asked about the status of the OSCVI commitment and was told it is still pretty much in abeyance at this time.
