Kiwanis Club of Owen Sound "Serving the Children of the World"

At the Meeting ...

Song

Song selected by Gary Levine who deferred to Peter Little.

Announcements

Christmas Social will be on Sunday, December 18th at the home of Noreen and Peter Little.

Six parade kits have been completed so far with over \$2,000 collected. We are off to a good start!

Applause Meter

Linda Droine and Ted Horton

Guest Speaker

Dean Rutherford introduced by Gord Harris thanked by Eric Crose.

Crime Stoppers started in New Mexico in 1976. There are 1,200 chapters worldwide and 39 in

Ontario. Our local chapter started in 1987. Payouts range from \$50 to \$2,000 depending on the information and the crime. All leads for any crime are sent to the proper authority. The person reporting is given a number and are asked to phone back for updates on information. In Grey Bruce alone over 20 million in drugs and stolen property have been reported as a result of crime stoppers.

Young Children: Priority One

Since 1991, Kiwanis clubs have endorsed a special service interest in young children from prenatal development to age five called "Young Children: Priority One." Kiwanis clubs are encouraged to identify and sponsor Young Children projects in four areas of concern:

- Maternal and Infant Health: The health of a mother and child during the first five years affects

the child's entire future. Kiwanis clubs support prenatal care, early childhood development and nutrition programs, and immunizations.

- Child Care and Development: Children need a stimulating, supportive environment to develop. Kiwanis clubs support child-care programs, assist with child-care resources, book reading and giveaway programs, and family-literacy projects.

- Parent Education and Support: Raising a child can be a challenge under the best circumstances. Kiwanis reaches out through parenting newsletters and parent-education programs.

- Safety and Pediatric Trauma: Special equipment and training are required to save young lives. Therefore, Kiwanis clubs support pediatric trauma programs, help fund children's hospitals, and distribute home-safety checklists.
