Election - Governor for Eastern Canada and the Caribbean

For the second time in our club's history, one of our members has put their name forward to serve as Governor of Eastern Canada and the Caribbean. The first was the late Past International VP Ray Allen. Who is this person? Our very own PLG Gary Levine.

The election will take place at our ECC convention next August in Kingston, Jamaica. At present, there are two others running for the position as well (a lady from Jamaica and a man from Martinique).

There are a number of ways members can support Gary's candidacy. This coming Kiwanis year he will be attending several area Kiwanis Club events. If three other Kiwanians join him then we can call it an official Interclub. At our last Board meeting the notion of a FUNdraising event was discussed. When that event takes place, member support will be appreciated. Finally, Kiwanians can plan to attend the convention. A good time, and good teambuilding experience will certainly be had by all.

**International President Steve
Siemens and PLG Gary Levine
at the convention in St. John's**

Royal Canadian Legion Wreath

The Kiwanis Club of Owen Sound is donating a wreath at a cost of \$40 for the Remembrance Day service.

Santa Claus Parade Update

Thanks to the Santa Claus Parade Committee for their efforts on the Santa Claus Parade. Everything is on schedule and Canvas kits will be going out shortly.

Whispering Pines

We are having work days this Saturday Sept. 30th starting at 9:00 a.m. For those who can make it for the day that is great but we would like to see you for at least a half day if possible. Our other work day is Sat., Oct. 21st.

We have all sorts of work to do (putting picnic tables together, removing hardware from trees, placing site markers etc). With that in mind, it would be beneficial if a few of you could bring your tool boxes.

Please let K Gord know if you can attend & what part of the day you will be there. We are planning to provide lunch & drinks so we need to have an idea of numbers.

Calling all Committee Chairs

It is that time of year again.
Committee Chairs - please
put together budgets for your
respective committees

Paul Shaffer to help promote Kiwanis Music Festivals in Canada:

1. Paul Shaffer to record a 30 and 60 second audio and video Public Service Announcement to be used to promote Kiwanis Music Festivals in communities and media across Canada. - PSA's will be ready in late October.
2. Paul Shaffer will assist with the promotion of a Kiwanis CD Fundraiser that Clubs will be able to sell in their communities with the proceeds going to support the Kiwanis Music Festivals.
3. A lottery draw will be held amongst Kiwanis Music Festival Winners with the lucky person receiving 2 tickets to attend a recording of the Later Show in New York and a chance to meet Paul Shaffer.
4. Poster and Signage Opportunities - tbd.. Kiwanis Canada will design a poster and make it available for clubs to purchase and used to promote the Kiwanis Music Festival in their area.
