## PRESIDENT GARY SHARES THE DREAM

Following the Builders Song, O Canada and the Invocation a minute of silence was observed for Kiwanian Sam Dimis. Sam passed away Friday, June 28<sup>th</sup> after his courageous battle with cancer.

Past President and Treasurer Bruce Price led sing-a-long with "Singing in the Rain."

President Gary distributed Team Kiwanis caps and called for the introduction of guests. Ellen Drury, a guest of her grandfather K Joe Vaughan, earned a pin for Team Wood. Ellen's father, President Elect Andy Drury was not disappointed at not receiving a pin for Team Drury because he does have other relatives.

### Update on Team Kiwanis Standings

Team Prettie	5 pins
Team Drury	8 pins
Team Sweatman	11 pins
Team Wood	10 pins

President Gary made a special presentation to PLG AI Kelly for our club's work on the I.D.D. project. A plaque was given to the Kiwanis Club of Owen Sound at International Convention. The plaque reads: "The U.S. Fund for UNICEF salutes Kiwanis International for its long-term partnership in the effort to eliminate iodine deficiency disorders (IDD) and for its continued dedication to helping the world's children."

President Gary gave a very informative presentation following his trip to New Orleans for International Convention. There were many tours, displays and a gala reception with keynote speaker Jay Leno. President Gary thanked the club for sponsoring his participation in the International Convention. He presented to K Walter Dommer of House and Property the "Share the Dream" banner from the convention.

President Gary Levine, Governor Milton Peach and President Mickey Levine

## "Hands Across the Border"

Mickey Levine is President of the Tamerac/Sunrise Kiwanis Club just North of Fort Lauderdale. This is the first time in Kiwanis history that there has been a Father/Son concurrent Presidency spanning the Canada/US border. Governor Milton Peach remarked that this is particularly significant for it was Canada's entry into Kiwanis that first gave the organization international status. "
