Fine Session
No Trips offered up.

- P Paul tried to trip PP Don Sweatman on an insurance question. PP Peter Little tried to defend PP Don, but P Paul would have no part in that. As always, P Paul extracted due justice and the fine box got heavier.

Business

**Announcements
TV Auction**

The schedules are out. It is up to each Kiwanian to ensure someone fills your space if you can't make it. K Goldie said the kits were slow to come in from some Kiwanians. This is puzzling since only Kiwanians who volunteered to canvass were given a kit. Some businesses that give were missed and this is not good.

The catalogues will be in the Sun Times and distributed in Owen Sound. Meaford and Thornbury residents can participate if they are aware of the auction. Dress Code (Top) is Kiwanis T-shirt or sweatshirt in dark navy ONLY please. If you need a new top, please contact K Walter Dommer (371-0115) or see him at the Auction March 31st.
50/50 Draw Idea: K Walter Dommer gave P Paul a 50/50 envelope that can be used within the public sector for a 50/50 draw on a regular basis as a fundraiser.

Social: Pot Luck and Euchre at Highland Manor March 24th starting at 6:00 pm. Prizes for winners and the heels of Scotch from Robbie Burns Night will be available for purchase, one dram at a time.

Questionnaire: A Kiwanian Questionnaire is being assembled and soon will be given to each Kiwanian to complete and return. 100% participation is paramount if we are to have a successful Kiwanis Club.

Boys & Girls Committee: A new committee is being started and PP Andy Drury and D Bill Brown are heading up the initial groundwork.

Kiwanis Music Festival: Kiwanian Bert Hood spoke on the merits of the festival.

Speakers: Owen Sound Mayor Ruth Lovell will be our speaker March 25th. Please make an effort to attend so we have a large club showing for

this guest speaker. If you have a speaker in mind, see PP Don Sweatman for available dates. You invite and introduce the speaker at the meeting.

Golf Tournament: We need a chairperson for this event. An early date in the season is preferred since there are a lot of fund raising tournaments to compete with and the early tournaments get the most players!

LtG Gary invited anyone who wished to go to the **Kiwanis International Convention** in Missouri during the last week in June to contact him or Secretary Stew before April 2, 2004 so the names can be submitted to Kiwanis International.
